Welcome to Fryeburg,

Thank you for taking advantage of the Town of Fryeburg sponsored Electric Vehicle Charging (EVC) location.

Please note that this EVC location was installed to allow visitors to charge their electric vehicle while visiting. It was not the intent of this installation for long-term or overnight parking.

Please be courteous and monitor your charging time and remove your vehicle once charging is complete.

We hope to have more visitors enjoy this benefit while spending time here in Fryeburg through your cooperation in using this EVC location as it was intended.

Thank you,

Fryeburg Board of Selectmen
